

### Contents:

A Comparative Phantom Study: Effectiveness Of A NIM PET/CT Phantom To Evaluate PET Image Quality In Detection Of Micro-Lesions Comparing With NEMA IEC Body Phantom And Computed Tomography Performance Parameters	01-08
Atypical-Onset Multiple Sclerosis Mimicking Stroke: A Case Report	09-11
Emerging Radiological Patterns Of Pulmonary Tuberculosis In Immuno-Competent Host - A Case Series	12-18
Assessment Of Spirometry Findings In Smokers And Non-Smokers: A Cross-Sectional Study In Northeast India	19-24
Comotio Retinae With Underlying Active Choroiditis And Chronic Choroidal Neovascular Membrane Signs: A Case Report	25-28
What Is The Best Way To Predict Mandibular Auto-Rotation In Surgery First Approach Cases? A Scoping Review	29-33
Effectiveness Of A Structured Teaching Programme On Knowledge Regarding Burns And Home Care Management Among Caregivers Of Burn Patients In A Tertiary Care Hospital, Bengaluru: A Pre-Experimental Study	34-36
Retrobulbar Optic Neuritis Revealing An Optic Nerve Sheath Meningioma: A Case Report	37-39
Extraintestinal Manifestations In Inflammatory Bowel Disease: Prevalence, Clinical Features, And Comparative Analysis In A Moroccan Tertiary Cohort	40-45
Diagnostic Dilema: Gall Bladder Carcinoma Mimicking Xanthogranulomatous Cholecystitis	46-48
Oral Cancer Stem Cells: A Comprehensive Review	49-52
Correlation Between Gerd-Q Score And Endoscopic Findings In Gastroesophageal Reflux Disease: A Cross-Sectional Study Of 103 Patients At Tangier University Hospital	49-53
Partial Edentulism And Its Association With Socio-Demographic And Systemic Factors (September 2025–February 2026): A Cross-Sectional Study Of Patients Attending A Dental Teaching Institution	54-56
Irrigating Needle Designs in Primary tooth Endodontics: A Narrative Review	57-61
Clinical Profile and Laboratory Findings of Patients with Periampullary Carcinoma	67-72
Correction of Deformity Around the Knee Joint by Ilizarov Method	73-85
Demographic Profile Of Upper Gastrointestinal Bleeding In North Of Morocco: A Comparison Between Variceal And Non-Variceal Bleeding	57-63
Bronchiectasis Revealing A Common Variable Immunodeficiency In An Adult	64-66
Pre-Treatment With Magnesium Sulphate Before Non-Depolarizing Muscle Relaxants; Effect On Speed Of Onset And Recovery Using Neuromuscular Monitoring	67-70
Comparative Interventional Study On Effectiveness Of Audio-Visual Aids And Pamphlets In Plaque Reduction Among Youths	71-75
Efficacy Of Local Simvastatin In Bone Regeneration Following Surgical Extraction Of Mandibular Third Molar: A Split Mouth Study	76-83
Comparison Of Effectiveness Between Herbal And Non Herbal Mouthwashes In Reducing Gingivitis And Plaque Among Patients Undergoing Orthodontic Treatment – A Prospective Clinical Study	84-88
Postoperative Macular Thickness Changes After Uneventful Manual Small Incision Cataract Surgery: An Optical Coherence Tomography Study	89-97
Restrictive Episiotomy in Modern Obstetric Practice: Clinical Indications and Outcome Analysis from a Tertiary Care Hospital in Bangladesh	98-102
Patterns of Skin Disease Presentation, Treatment Response, and Healthcare Utilization among Elderly Patients in Rural Bangladesh	103-108
Complications, Alignment, and Limb-Length Outcomes Following Proximal Femoral Nail Fixation in Subtrochanteric Femoral Fractures: A Prospective Cohort	109-113
Predicting the Next Phase of Dental Innovation: A Quantitative Cross-Sectional Study on the Association Between Current Digital Maturity and Artificial Intelligence Adoption	114-121
